SUMMARY

Mobile and Web Developer with hands-on experience building WordPress, React and Flutter applications, from responsive front ends to REST APIs and databases. Strong communicator and leader with a track record in team-based and organizational settings. Eager to grow my expertise and make a meaningful impact in the field.

PROFESSIONAL EXPERIENCE

Frontend Developer, Easy Bus PH Sept 2025 – Sept 2026

- Built and maintained WordPress websites, translating approved design mockups into pixel-accurate, responsive pages using Elementor
- Ensured pages display correctly across devices and browsers, with mobile-first responsive behavior
- Reviewed builds against design specs and applied feedback quickly to meet release timelines

PROJECTS
