- Design a mobile app that empowers citizens to report local infrastructure issues.

Photo Booth Website | REACTJS, CSS, Figma June, 2025

- Developed for a photo booth experience

Literexia | Flutter, MongoDB, ReactJS, JavaScript, Figma, Kotlin, Android Studio, Open Ai, Elevenlabs April, 2025

- Developed a capstone project for the dyslexic student with a visual imperment. along with assistive tools

PROFESSIONAL EXPERIENCE

Frontend Developer, Easy Bus PH Nov 11, 2025 – April 10, 2026

- Built and maintained WordPress websites, translating approved design mockups into pixel-accurate, responsive pages using Elementor
- Customized page sections and interactive components with custom CSS where Elementor's built-in controls fell short
- Ensured pages display correctly across devices and browsers, with mobile-first responsive behavior
- Reviewed builds against design specs and applied feedback quickly to meet release timelines

CERTIFICATIONS

- Google UX Design Professional Certificate | Google | April 2023
- Data Analysis with Python | April 2023
- DataSense Analytics | April 2023
- Principles of Python Programming | March 2023
- Data Analytics Using Excel | March 2023
- The Cybersecurity Threat Landscape | September 2026
- Cybersecurity Foundations | September 2026
- Artificial Intelligence for Cybersecurity | September 2026
- Cybersecurity Awareness: Cybersecurity Terminology | September 2026
- React: State Management | September 2026
- HTML, CSS, and JavaScript: Building the Web | September 2026
- Building Modern Projects with React | September 2026
- Designing RESTful APIs | September 2026
- Building RESTful APIs with Node.js and Express | September 2026
- Node.js: Securing RESTful APIs | September 2026
- Database Foundations: Application Development | September 2026
- Git Workflows | September 2026
- Database Design Fundamentals | September 2026

Hackathons

- 2nd Place, Ideathon | NU Manila | 2024
- InnOlympics | PLM Manila | Apr 2024
- Hackercup | De La Salle University (DLSU) | Mar 2024
- Hackercup | De La Salle University (DLSU) | Mar 2023

Extracurricular Activities

- Scholar, Quezon City Youth Development Office
- Technical Committee, Google Developer Group NU
- Hackathon Committee, Google Developer Group NU
- Vice Operations Officer, AWS Learning Club Legarda Youth Volunteer

EDUCATION

August 15, 2022 – September 2, 2026

Bachelor of Science in Information Technology - Major in Mobile and Web Application - Manila National University
